Music History & Literature and Music Theory Entrance Proficiencies

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

- Students take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)
- Students may enroll in and pass the graduate review courses listed below:
  - M501 Proseminar in Music History (3 cr)
  - TS08 Written Theory Review for Graduate Students (3 cr)
  - TS09 Sight Singing Review for Graduate Students (1 cr)
  - TS11 Aural Theory Review for Graduate Students (1 cr)

Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M501 serve as prerequisites to the master’s music history and literature requirement. The review courses are not offered every semester.

Keyboard Proficiency Examination

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student’s ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. The keyboard proficiency requirement may be satisfied by passing the examination at any of the times it is offered or by receiving a grade of B or higher in P715 Keyboard Review for Graduate Students (1 cr). This requirement must be completed before a student may begin qualifying exams.

Styles Examination

All Doctoral students must take the Styles exam in their first spring semester of enrollment. Students who pass the exam meet the requirement. Students who do not pass the exam may retake the exam once with permission of the director of graduate studies, if their score is within a range recommended by the Doctoral Styles Committee. Students who do not pass the exam must earn a grade of B or higher in TS45 Introductory Analysis of Music Literature. This course may fall anywhere in the student’s curriculum. This requirement must be completed before a student may begin qualifying examinations.

Qualifying Examinations

Students in a doctoral degree program are not considered candidates for the degree until they have passed the qualifying examinations (styles, major field, first minor field, second minor field [if applicable], and orals). Qualifying examinations are taken after all coursework and proficiencies have been completed.
