The Outside Area comprises six credit hours in one field, which can be satisfied in any of three ways: 1) six credit hours in one department of the School of Music other than your major, with approval of the appropriate department chairperson and the Director of Graduate Studies; 2) six credit hours in one field outside of the School of Music, with approval of the graduate advisor in that department and the Director of Graduate Studies in the School of Music; or 3) six credit hours within or outside the School of Music, with approval of the Director of Graduate Studies in accordance with departmental guidelines. For this option, called an “individualized outside area,” the courses must fit a specific theme or emphasis; a written proposal is required. To declare an Outside Area, students must complete an Outside Area Approval Form, acquire the appropriate signature, and submit the form to the Graduate Office.

Comprehensive Review
Prior to graduation, all master’s degree students must pass an oral or written examination. It is the responsibility of the student to consult with the major field department to ascertain the procedures established within that department. This consultation should be accomplished within the first year of residency.

Student’s Responsibility: Students have a threefold responsibility: 1) to know and satisfy the graduation requirements stated in the School of Music Bulletin; 2) to know their academic standing based on the academic standards stated in the School of Music Bulletin; and 3) to know and observe all regulations and academic calendar deadlines as stated in the Schedule of Classes, the School of Music Bulletin, and the student handbooks. Faculty and staff advisors assist students in planning a program of study to meet degree requirements, but students are responsible for meeting all requirements for their respective degrees and all announced deadlines.

This sheet is for use as an aid in understanding degree requirements. In questions of official policy the School of Music Bulletin and official notices supersede this document. Please consult the bulletin for additional details regarding general regulations and policies for graduate music students.
