

TV and Sound Bar Guide

Your TV and Sound Bar should now be installed and hooked up to your computer. If you have questions regarding your setup please e-mail musicits@indiana.edu, or call 855-7832.

With this setup you will be able to utilize Skype, video lessons, and video conferencing. We will be installing new video software onto your computers, as well as having a seminar to demonstrate how the setup works. Below is a quick-start guide on your new equipment.

TV Setup	Sound Bar Setup
<p data-bbox="451 659 594 688">TV REMOTE</p> 	<p data-bbox="1133 659 1386 688">SOUND BAR REMOTE</p> 
<ol data-bbox="180 1444 911 1583" style="list-style-type: none">1. Power on your TV with the included remote.2. Make sure it is on the input labeled DELL (PC users) or iMac (Mac users).3. The TV should now mirror what you have on your screen.	<ol data-bbox="992 1444 1572 1688" style="list-style-type: none">1. Make sure the sound bar is switched on. There should be an orange light coming from the power switch, or white if it is powered on.2. Once power is on make sure the HDMI 1 input is selected. This button is on the small black remote included with your sound bar.
